IN THE UNITED STATES DISTRICT COURT FOR

Martin W. Jones, Plaintiff

V.

Frank Najera and

Joshua Mallery, Defendants

Civil Action No. 19-CV-4678

PLAINTIFF'S STATEMENT OF DISPUTED  
FACTUAL ISSUES & DECLARATION OPPOSITION  
DEFENDANT'S MOTION FOR SUMMARY JUDGMENT

Defendants have moved for summary judgment on the plaintiff's claim concerning search of plaintiff's cell phones. Pursuant to Local Rules of this Court, the plaintiff submits the following list of genuine issues of material fact that require the denial of defendant's motion for Summary Judgment.

1. On November 7, 2017 defendant Najera took 2 cell phones, SEE: Table of Contents; No. 3.

2. SEE: Table of Contents; No. 23, NAJERA 004, Document 73-2, Prisoner Property Inventory Record, number 6, phone cellular, for plaintiff.

3. SEE: Table of Contents; No. 23, Amanda L. Greiser, Prisoner Property Inventory Record, numbers 1 thru 15, No cellular phone in Amanda L. Greiser's property,

4. Defendant Najera had a second cell phone cell phone he took from Amanda L. Greiser on 11-7-2017, that was registered to plaintiff Jones, Amanda L. Greiser was using it.

5. SEE: Table of Contents; No. 1, This came from Request For Admission from defendant Mallery, number 9 question "Quote"

Please admit that the second phone was never extracted after it was determined that it belonged to Amanda L. Greiser." Defendants had to go into that cell phone too, because that phone was registered to plaintiff.

6. SEE: Table of Contents; No. 8, page 3 of 4, second paragraph, defendant Mallery referenced 12 times in 1 paragraph 2 cell phones, plainly and clearly.

7. SEE: Table of Contents; No. 9, in paragraph 2, 3, and 4, the information in those paragraphs were on the missing cell phone and not on the one defendant's did the extraction on, SEE: Table of Contents; No. 6, that information is not in that extraction.

8. SEE: Table of Contents; No. 10, the New York and Las Vegas address's, phone numbers and names, was on the second cell phone, not the one they did the extraction on.

9. SEE: Table of Contents; No. 7, paragraph 4, states about a third cell phone in defendant Najeras possession.

10. SEE: Table of Contents; No. 19, defendant Najera took control of Jones and conducted a drug investigation, "Quote" on 11-08-2017.

11. SEE: Table of Contents; No. 6, the actual Extraction dated 1-10-2018. On 1-1-2018 on cell phone extraction proves the defendant's were already in plaintiff's 1 cell phone, not only on 1-10-2018, like defendant's are claiming. That phone was in defendant Najeras possession from 11-7-2017 to 1-10-2018.

12. SEE: Table of Contents; No. 6, page 1 of 11, "Quote" "SMS message (181) number 1 message, Folder, Drafts: Party, Direction Outgoing; Time, 1-1-2018, 2:34:23, PM (UTC-5); Status, Unsent; Message Guy; Delete, Yes." That was number 1 message, number 2

message was plaintiff's last message on the evening of his arrest on 11-7-2017. That cell phone was in defendant's Najera possession from 11-7-2017 to 1-10-2018.

13. In a discovery request to defendant's about 11-9-2021 plaintiff requested date and time for work on 1-1-2018, and what they were doing at exactly Time 2:34:23 PM on 1-1-2018. Have not received the information as of 2-11-2022.

14. SEE: Table of Contents: No. 24, defendant's has not responded to plaintiff's interrogatories, was sent around 11-15-2021 as of 2-11-2022 no response.

15. SEE: Table of Contents: No. 15, the DSC# US-18-00152 was wrong on Lehigh County, Request For Forensic Analysis, Lab Number CF-18-00006, the DSC# US-00159 was not on the proper form making it defective. And the only reason it was not changed by defendant Najera, was at the bottom of the Form "Chain of Custody" Signatures. Couldn't be transferred.

16. SEE: Table of Contents: No. 16, Mallery 00001, Summary, Source, Extraction, Device information, was labeled "Case number" US-18-00152 and "Case name" CF-18-00006.

17. SEE: Table of Contents: No. 17, Form 171, Contains the wrong "Case number" and the wrong "Case name" and no Witness Signature or plaintiff's birth date.

18. Where is "Case number" US-18-00152, it was not in defendant Najera's criminal discovery on plaintiff Jones which was a discovery request.

19. SEE: Table of Contents: No. 14, defendant Najera did not know that DSC# US-18-00152 was wrong until 2-21-2020,

that is 2 years later.

20. SEE: Table of Contents: No. 15, No. 16, No. 17, and No. 18 are all documents defendant Najera had the wrong DSC number on. Then fabricated these documents trying to fix his error, with the right DSC# ~~US~~ 18-00159. The date on these documents was 1-10-2018.

21. SEE: Table of Contents: No. 20, defendant Najera hand wrote the DSC# US-18-00159 on document dated 1-2-2018.

22. SEE: Table of Contents: No. 21, defendant Mallery filed on 05-15-20, Document 16, page 41 of 41, slightly shaded out, trying to hide bottom left corner.

23. SEE: Table of Contents: No. 21, Exhibit B, from defendant Mallery, sent to plaintiff on 11-5-2021, look at the bottom left corner completely blacked out.

24. SEE: Table of Contents: No. 21, NAJERA 038, recieved in a criminal discovery from defendant Najera on 11-5-2021, Completely clear, not like defendant Mallery produced twice as a sham.

25. Plaintiff Jones is disputing, Consent to Search form as defective and a Sham by defendant Mallery and Najera.

26. SEE: Table of Contents: No. 18, NAJERA 036, paragraph 1, Bucks County Detective Joshua Mallery requested that I obtain consent from Martin Jones for the download of his cell phone, "Quote". From the last sentence proves they already been in the cell phone's and extraction, And paragraph 2 (for the cell phone download). "Quote".

27. SEE: Table of Contents: No. 11, on 4-11-2018, Drug Strike Force Ops Plan. The Ops plan just backs up that what defendant Mallery used the two cell phone's to obtain a warrant for plaintiff Jones.

28, SEE Table of Contents; Vol 13, on 8-30-2018 in a Omnibus Pretrial Motion, paragraph 28, through the testimony of the co-defendants with supporting DOCUMENTS provided by detective Joshua Mallery and Frank Najera. "Quote" paragraph 32, Finally, the Commonwealth believes and therefore, avers that the afore mentioned evidence is essential to complete the story of the crime on trial by providing its immediate context of happening near in time and place. Without the above described evidence the Commonwealth will not be able to present a full context for the defendants actions and motivations for the Jury's Consideration. "Quote"

Additionally, public dockets from the Court of Common Pleas of Lehigh County demonstrate that Jones was arrested by Najera on November 7, 2017 for the use and/or possession of drug paraphernalia. Jones plead guilty on November 15, 2017. See *Commonwealth v. Jones*, Docket No. CP-39-CR-0005920-2017 (Lehigh Cty. Court of Common Pleas). Although it does not appear that this proceeding is implicated by the allegations in Jones's pending Complaint, this conviction has not been vacated or invalidated. (*Id.*)

BUCKS COUNTY DETECTIVES

99-2018-0023  
FILE NUMBER**SUMMARY-Martin Jones(4400 Old Bethlehem Pk, Center Valley,  
PA 18034, 484-773-3376) interview-January 2, 2018**

On January 2, 2018, Martin Jones was taken into custody at Upper Saucon PD for a warrant for paraphernalia out of Lower Southampton PD. Detective Najera notified Jones would be at their station if I wanted to speak with him in reference to cooperating. Note that Jones also has an unfiled PWID case open out of Upper Southampton PD.

Jones had been a suspected from a previous Quakertown PD case I was involved in that he was getting methamphetamine shipped in Fed Ex from Las Vegas.

I arrived at Upper Saucon PD and met with Jones in their interview room. I introduced myself to Jones and explained to him I knew much of his background and inquired if he wanted to cooperate. Jones was advised that he also has another PWID case pending. Jones agreed to provide some information.

Jones advised that he did engage in receiving 1-2 pound packages of methamphetamine from a male in Las Vegas named Jerry Gerald-Gonzales. Jones did not have his cell phone on his person at time of arrest. He advised his old cell phone with pertinent information was in possession of Detective Najera or DEA Allentown. He advised he had spoke with Agents named "RJ" and "Jeff" previously about the same information but had not followed through up until this time in assisting them. Jones advised on that phone he had bank account numbers for "Bank Of America" in which he could deposit money into and then Gonzales would be notified of the deposit made. He would then ship the quantity of meth to Jones. Jones said that he was paying \$4500-\$5000 a pound. Jones would provide a specific address as where to ship the product to. Jones used various places including different residences and businesses, including U-Haul rental places.

Jones advised he had been turned to Gonzales by his sister's step-daughter named Glenys. He did not know her last name but

said he would also be able to order methamphetamine from her. He said he would buy meth from her and have it shipped. Jones said he would usually get it by the ounce from her but said he could get ore because she would just get it from Gonzales. Jones said he paid \$450-\$500 and ounce from her. He said he last got 2 ounces from her around Thanksgiving and had it shipped to a family location in Syracuse NY which he did not disclose.

Jones also advised that he heard of a guy named Mark whom owns a Summer Camp in Feasterville along Neshaminy Rd. He has a Russian girlfriend. He advised he is selling meth for \$700-\$800 an ounce and also was going to let Jones ship packages there to his summer camp he runs.

Jones advised he may be willing to cooperate further. I provided him my card and number to contact me. I advised him I wanted him to contact me by January 8, 2018.

On January 5, 2018, Detective Najera contacted me and advised Jones contacted him and wants to sit down and cooperate/talk on Monday. Jones had previously cooperated with Najera on other cases. Najera advised he would call me if Jones actually shows up or contacts him. I also inquired to Najera if he still had Jones phone which he said he did. He said he did not get written consent for it or a search warrant. I advised him of the information Jones had in the phone. He advised he would try to get consent from Jones on Monday to have an extraction performed.

## BUCKS COUNTY DETECTIVES

FILE NUMBERSUMMARY

On February 13, 2018 I had opportunity to sit down and interview Jenny Jones in the Bucks County District Attorney's Office. Also present was Nick Williamson from the Public Defender's Office. Williamson was standing in for Jones original public defender, Ken Hohne.

Jones was advised in her attorney's presence that it was in her best interest to tell the truth about her knowledge of the incident and the source of the methamphetamine found in the vehicle she was in at time of arrest in Upper Southampton Township.

Jones initially was not forthcoming and spoke with Williamson privately prior to her speaking with me when providing the truth.

Jones advised she had met Marty Jones in January of 2017 in Allentown. Jones said she had been abused by her ex-boyfriend in Allentown and left their house with no money or personal items. She had been at a 7-11 and saw Marty Jones sitting in a truck there and came up to him and asked him for \$1. Marty proceeded to ask her if she needed a place to stay, etc. He proceeded to have her get in his truck and drove her to a Kmart and bought her a wardrobe of clothing and then took her to her house right afterwards. Marty allowed Jenny to stay there at his house at 353 Philmont Ave in Feasterville.

Once staying at the house there, Marty admitted to Jones that he was a drug dealer and told her she would become one too. Jones initially said she wanted no part to do with dealing drugs. She said in late January 2017 or February 2017, Marty wanted her to go with to pick up money owed to him for drug sales. She said he became irate with her and they began arguing. Jones said Marty pulled out a closet hanging rod and began chasing her through the house. She said he got her backed into a corner and hit her with the rod in the arm, breaking such. Jones said initially she did not go to the hospital and

Marty would not take her. She said app 2 weeks after Marty hit her with the closet rod, she went to Aria Hospital where she told hospital staff she fell on rocks and hurt herself. She never reported to the police about Marty actually hitting her. I asked Jenny if she was scared of Marty to which she said she was, after initially denying being scared at the beginning of our interview. Jenny advised that (and I had confirmed on prior occasion) that Marty had assaulted her in Lehigh County in Upper Saucon in the late summer. Marty had been arrested and incarcerated briefly in Lehigh County for such. She also advised in March 2017 Marty broke her cell phone because he thought she was talking to other men. She said she did not get a new cell phone until only two weeks ago. Marty had not allowed her to have one.

I asked Jenny where the methamphetamine came from in the vehicle when she was arrested in Upper Southampton. She went on to provide the following in answers to my questions;

Jones advised that app 3 days prior to the arrest, Marty drove her to the Bank of America in Feasterville on Street Road. There, Marty gave Jenny \$2500 and wrote down an account number on a piece of paper on a bank slip. Jenny had to take the money in and deposit it into the specified account for it to be wired to Marty's meth source in Las Vegas. Jones knew the money to be for 5 ½ ounces of methamphetamine Marty was purchasing. Jones then said the day of the traffic stop and arrest she believe to be a Saturday, Marty drove her to the Feasterville Post Office where they both shared jointly PO Box 404 under names Martin Jones and Jenny Jones. There, Marty had her go in and pick up a package from their PO Box at app 1130 hours. Jones described it as being in a regular Post Office cardboard type mail envelope addressed to her. She brought it back out to Marty, whom took it home and would open it. Jones said there were individual baggies of methamphetamine. She said they were regular sandwich baggies knotted at the top and inside one yellow envelope.

Jones advised that she and Marty had this PO Box for app 8 months prior to her arrest. Jones advised she had performed the same scenario on at least 6 different occasions. She advised the other occasions were less money and only 2-3 ounces of methamphetamine purchased at a time. She advised Marty would not accompany her into the bank or post office on any of the occasions.

*Note that Upper Saucon Detective Frank Najera has copies of 2 separate phone extractions from 2 phones Marty Jones had in Lehigh County. Najera believes these phones have the Las Vegas contact info along with the Bank of America account information on them. Arrangements will be made to pick up copies of such extractions.*

Jones did admit she knew Marty was selling the meth, but did not know his customers. She advised he kept that to himself and did not help him distribute it.

I asked Jones if she ever met his source in Las Vegas. She said that she did not ever meet them. She said on one occasion Marty and she had been driving to Las Vegas to go meet the source. She advised Marty had controlled her medication and would not give it to her. She said on the way, she became upset and in the area of Richmond, Virginia, she jumped out of their vehicle. She said she had a nervous breakdown and went to a cashier at a gas station to call an ambulance. An ambulance came and picked her up and transported her to a hospital she believed was called "Reed". She said Marty left her there and continued to Las Vegas. On his way back 7 days later, he came back through and picked her up and took her home.

Jones also indicated that a female relation of his family had also been a source of methamphetamine from Las Vegas as well but she knew limited details of.

I advised Jones and her attorney that the case was going to be investigated further and reviewed with my supervisor and the DA handling the case (Kohler). I also advised her that I would be

I had also had knowledge from her attorney that Marty Jones had come with her on this day and was sitting out in the lobby area of the CJC. I asked Jones if she felt safe leasving with Marty to which she said she would be OK. I adviseed her to tell Marty that she would not cooperate at this point and told the police nothing.

FILE NUMBERSUMMARY-Martin Jones cell phone

On February 20, 2018 I received a copy of a phone extraction from Upper Saucon Detective, Frank Najera from a cell phone belonging to Martin Jones. I copied the extraction and placed it on file with this case file.

On this date, I located contacts for Jerry Geraldo-Gonzales (702-241-5529, 702-538-4569, 702-762-1907), "Glenny" (702-482-5798, 702-510-2955) and the name of Glenys Cabral Jimenez. Conversation appeared consistent with being the persons Jenny Jones advised Martin would deal with in Las Vegas. There was also an address provided to Jones, possibly to send money to of 856 Mantis Way #2 with 89110 zip code. I searched that address via mapping and did locate such address in Las Vegas area.

I also located an address in New York state; Mark Agosto, 91 County Rte 65, Apt 4, Hensonville, NY 12439 where it appears Jones had Vegas connects ship product to.

Also there was talk in the phone about sending money to Vegas with Western Union or Moneygram.

Also over the past week I received information requested from USPS Agent Cotelia Bond for PO Box 404 in Feasterville. It showed multiple packages received to that PO Box from Las Vegas in mid 2017 ranging from a half pound to 2 pounds. Bond advised that there is no longer postal video from those dates.

I provided Bond the names above so she could attempt to see if they were still actively sending packages anywhere.

On March 15, 2018 Cotelia Bond-Young from USPS emailed back and advised that only one package was delivered to the address I provided her in New York. She advised the address in Las Vegas had no packages shipped from it.

Due to the fact that there is no video from either the Feasterville Post Office and Las Vegas post office long with no actual packages intercepted, there will be no further active investigation at this point into Jones and his Las Vegas connect.

I conferred with DDA Kohler and it was agreed upon that Marty Jones would now be charged for the 5 ounces of methamphetamine from the September traffic stop. I will co-sign complaint once prepared.

### CASE BACKGROUND/MISSION

Martin Jones had been the operator of a vehicle in September 2017 in Upper Southampton Township, Bucks County in which 5 ounces of methamphetamine had been recovered. Initially, passenger, Jenny Jones was arrested for the methamphetamine. Martin Jones was let go. After further investigation over the past few months, it was determined indeed that Martin Jones was the primary possessor of the methamphetamine and had been responsible for having pounds of methamphetamine shipped from Las Vegas to the Bucks County area.

The mission in April 11<sup>th</sup> will be for Officer Kaminski to meet Detective Mallery at Quakertown PD and obtain arrest warrant for Martin Jones at app 1445 hours. Mallery, Kaminski and Detective Marsaglia will then travel to Upper Saucon PD and brief with Detective Frank Najera whom is familiar with Martin Jones and his residence. Surveillance will be set up in area to determine if Martin is home. (Martin works at a body shop in the Hellertown area believed in daytime business hours. If Martin is home, Detective Najera and Mallery will knock on the door in plain clothes and make contact with Martin. Upper Saucon patrol, Officer Kaminski, and Detective Marsaglia will cover perimeter. If Martin is there, Officer Kaminski and Detective Marsaglia will move in and place Martin under arrest.

Detective Najera will make general observations if inside the residence and if probable cause exists, possibly obtain a search warrant or consent to search.

Martin will be requested to waive his Lehigh arraignment (sign off) and be transported to Quakertown PD (or possibly Upper Southampton PD pending time constraints) for Livescan and video arraignment at 2000 hours. Officer Kaminski will take care of all transports in a caged vehicle.

V. :

MARTIN JONES

: ATTORNEY I.D. 69706

OMNIBUS PRETRIAL MOTION

TO THE HONORABLE COURT:

AND NOW, comes the Commonwealth by its Deputy District Attorney, M. Kate Kohler, Esquire, respectfully represents the following:

1. On Criminal Information No. 4070-2018, the defendant, Martin Jones, is charged with Possession with Intent to Deliver a Controlled Substance, 35 Pa.C.S.A. §780-113 (a)(30), Criminal Conspiracy to commit the same, and related offenses.
2. On Criminal Information No. 4071-2018, the defendant, Martin Jones, is charged with Intimidation of a Witness, 18 Pa.C.S.A. §4952 (a)(2), and related offenses; that witness being his co-defendant in case numbers 4070-2018 and 4062-2018.
3. On Criminal Information No. 4062-2018, the defendant, Martin Jones, is charged with Possession of a Firearm by a Prohibited Person, 18 Pa.C.S.A. §6105 (a)(1) and Criminal Conspiracy with Jenny Jones to commit the same, and related offenses.
4. On Criminal Information No. 4069-2018, the defendant, Martin Jones, is

charged with Possession of a Firearm by a Prohibited Person, 18 Pa.C.S.A. §6105 (a)(1).

5. On Criminal Information No. 691-2018, the defendant, Martin Jones, is charged with Possession of a Controlled Substance, 35 Pa.C.S.A. §780-113 (a)(16).
6. On Criminal Information No. 7481-2017, the co-defendant, Jenny Jones has pled guilty to Criminal Conspiracy to commit Possession with Intent to Deliver. Her sentencing has been deferred so that she may cooperate in the instant matters.
7. On Criminal Information No. 4067-2018, the co-defendant, Jenny Jones is charged with and intends to plead guilty to Criminal Conspiracy to commit Possession of a Firearm by a Prohibited Person and related offenses.
8. The charges on Criminal Informations 7481-2017 and 4070-2018, arose from criminal acts that occurred in Upper Southampton Bucks County on September 1, 2017 whereby the Commonwealth alleges that defendant Martin Jones along with his co-defendant Jenny Jones possessed 145.53g of Methamphetamine with the intent to distribute it. Martin Jones was stopped in his vehicle while Jenny Jones was the passenger. While Martin was speaking with officers outside of the vehicle, Jenny Jones was observed to be pushing a blue bag, which was on the floor of the truck, under the seat. Inside that bag, among other things was a large quantity of methamphetamine and a scale with residue. Upon finding these drugs, all occupants were detained and Jenny Jones screamed to Martin Jones, "They found the blue bag!" Ms. Jones then took ownership of everything in that bag and was arrested. It was later learned during an interview with Ms. Jones and her attorney that Martin Jones would drive her to the bank and give her money to go deposit/transfer into an account for the purchase of methamphetamine. He would then drive her to a P.O. Box at the Feasterville Post Office and have her go pick up the package of methamphetamine when it was delivered from his connection in Las Vegas. Martin Jones would have these

packages sent with Jenny Jones' name so that Martin Jones wouldn't be tied to it if it was discovered. Jenny Jones stated that Martin Jones would then sell that methamphetamine. This has occurred on multiple occasions and the blue bag found in the vehicle on 9/1/17 was methamphetamine they had picked up from the post office that day. Ms. Jones stated that on 9/1/17, the police inadvertently gave Martin Jones back some methamphetamine that he had put in a false Axe body spray container. Ms. Jones indicated that she is terrified of Martin Jones because of her past violent experiences with him and that is why she claimed ownership over the drugs found by police. Martin Jones was arrested on these charges on April 11, 2018.

9. The charges on Criminal Information 4071-2018, arose from criminal acts that occurred on or about April 2018 to the present, in Doylestown, Bucks County whereby the Commonwealth alleges that defendant Martin Jones, after being arrested on the Possession with Intent to Deliver charges and incarcerated at the Bucks County Correctional Facility, made numerous phone calls to his cooperating co-defendant Jenny Jones directing her to "keep [her] mouth shut" and not to testify against him, among other things. It was recently learned that the defendant also continues to contact Jenny Jones while in the prison by sending females he sees in the dispensary to give her messages that he loves her and/or not to testify in addition to communicating to her through a mutual friend.
10. The charges on Criminal Information 4062-2018 and 4067-2018, arose from criminal acts that occurred in Milford Township, Bucks County whereby the Commonwealth alleges that when defendant Martin Jones was arrested on the Possession with Intent to Deliver charges above, he had a sawed-off shot gun bolt located on his person. Located in defendant's camper was the shot gun with a missing bolt that matched the one found on his person. Co-defendant Jenny Jones had been attempting to hide this weapon from police. Also found in

defendant's camper was a spare Remington 12 gauge barrel, AR-15 ammo clips, gun parts and gun cleaning supplies, ammunition for the shot gun in addition to .40 caliber, .45 caliber and .410 caliber ammunition, a spring assisted knife, marijuana and methamphetamine. Defendant is a person not to possess.

11. The charges on Criminal Information 4069-2018, arose from criminal acts that occurred in Lower Saucon Township, Northampton County whereby the Commonwealth alleges that defendant Martin Jones possessed an AR-15 rifle and hid it in his tool cabinet at his place of employment. Defendant is a person not to possess.
12. The charges on Criminal Information 691-2017, arose from criminal acts that occurred on December 25, 2015 in Lower Southampton, Bucks County whereby the Commonwealth alleges that defendant Martin Jones possessed 10.82g of methamphetamine. These drugs were recovered from his bedroom where he was living prior to meeting his current co-defendant Jenny Jones.

**MOTION FOR CONSOLIDATION OF INFORMATIONS FOR SINGLE TRIAL**

13. The Commonwealth incorporates paragraphs 1-12 by reference.
14. The charges on Informations 4070-2018, 4071-2018, 4069-2018 and 4062-2018 involve many of the same witnesses,
15. The charges on Informations 4070-2018, 4071-2018, 4069-2018 and 4062-2018 arise from the same act, transaction, or series of acts or transactions.
16. The consolidation of these cases for trial would be in the interest of the efficient administration of justice in that court time would be saved; witnesses would be spared needless inconvenience; and the judicial, prosecutorial and defense resources would be conserved.

17. The Commonwealth recognizes that Informations 4069-18 and 4062-18 would involve severable offenses and is therefore agreeing to sever these two Informations from the others however is requesting that they be consolidated with each other.
18. Pennsylvania Criminal Procedure Rule 582(a)(1) allows the Court to join offenses charged in separate indictments if evidence of each of the offenses would be admissible in a separate trial for the other and is capable of separation by the jury so that there is no danger of confusion or the offenses charged are based on the same act or transaction.
19. The Commonwealth believes and therefore avers that evidence of each offense would be admissible in a separate trial for the other and is capable of separation by the jury such that there is no danger of confusion.
20. Furthermore, the Commonwealth believes and therefore avers that the offenses charged are based on the same course of conduct.

WHEREFORE, the Commonwealth respectfully requests Informations 4070-2018 and 4071-2018 and separately 4069-2018 and 4062-2018 be consolidated for purposes of a single trial to be scheduled on a future date of this Honorable Court's choosing.

**MOTION TO ADMIT OTHER CRIMES WRONGS OF ACTS**

21. The Commonwealth incorporates paragraphs 1-20 by reference.
22. As a rule of inclusion, evidence of "other crimes, wrongs or acts" may be admitted pursuant to Rule 404 of the Pennsylvania Rules of Evidence for purposes other than demonstrating criminal propensity, including, but not limited to, proving Defendant's motive, opportunity, intent, plan, knowledge, identity, and lack of mistake or knowledge. Commonwealth v. Reid, 811 A.2d

530 (Pa. 2002).

23. The Commonwealth intends to introduce prior crimes, wrongs, or acts for the purposes of proving Defendant's motive, identity, knowledge, plan, common scheme, and intent.
24. Evidence of prior bad acts, while generally not admissible, may be admitted for other purposes, such as such as proof of motive, opportunity, intent, plan, preparation, knowledge, identity, or absence of mistake or accident. Pa.R.E. Rule 404(b)(2); *see also* Commonwealth v. Miller, 541 Pa. 531, 664 A.2d 1310 (Pa. 1995); Commonwealth v. Peer, 454 Pa.Super. 120, 684 A.2d 1077 (1996); Commonwealth v. Rivera, 409 Pa.Super. 120, 597 A.2d 690 (1991); Commonwealth v. Frank, 395 Pa.Super. 412, 577 A.2d. 609 (1990).
25. "Another 'special circumstance' where evidence of other crimes may be relevant and admissible is where such evidence was part of the chain or sequence of events which became part of the natural development of the facts." Commonwealth v. Lark, 518 Pa. 290, 303 (Pa. 1988) (internal citations omitted).
26. "This special circumstance, sometimes referred to as the 'res gestae' exception to the general proscription against evidence of other crimes, is also known as the 'complete story' rationale, i.e., evidence of other criminal acts is admissible 'to complete the story of the crime on trial by proving its immediate context or happenings near in time and place.'" *Id.* citing McCormick, Evidence, § 190 (1972 2d ed.); Carter v. United States, 549 F.2d 77 (8th Cir. 1977); United States v. Weeks, 716 F.2d 830 (11th Cir. 1983); *see also* Commonwealth v. Coyle, 415 Pa. 379, 389-91, 203 A.2d 782, 787 (1964) (evidence of other crimes admissible as these crimes were interwoven with crimes for which defendant was being prosecuted).
27. The Commonwealth intends to admit testimony from Stephanie Dias who would state that she met the defendant in March of 2016 and lived with him from

August of 2016 through December of 2016. During that time, the defendant spoke to her about his methamphetamine dealing and she participated in selling with him and he would give her drugs in return. He had packages of methamphetamine shipped via US mail from Las Vegas in her name to various locations. She also advised the defendant possessed guns and she has seen him with an AR-15, which he allowed her to fire into the ceiling of his home. This evidence is admissible to establish the lack of accident or mistake, knowledge, plan, motive and the intent of the defendant to sell the methamphetamine found in his vehicle in addition to combat the assertion that the drugs are all the co-defendants.

28. The Commonwealth intends to admit the entirety of the defendant's drug dealing activities between himself and his co-defendant, Jenny Jones as evidence of "Other Crimes, Wrongs, or Acts" and/or res gestae. The Commonwealth intends to introduce this evidence, as outlined in summary in paragraph 8, through the testimony of the co-defendant with supporting documentation provided by Detective Joshua Mallery and Detective Frank Najera.
29. The Commonwealth intends to introduce evidence in the Possession with Intent to Deliver and Intimidation cases of the defendant's possession of weapons and his prior abuse of his co-defendant to explain why she was scared of him and initially took the blame for all of the drugs. Since credibility is at issue, this evidence is necessary to demonstrate one of the reasons why lied to police initially. Jenny Jones met with investigators and detailed episodes of repeat mental and physical abuse at the hands of the defendant. She also described how the defendant introduced and injected methamphetamine into her veins twice a day since the day she met him. Finally, she described how despite the no contact order in place by the courts, despite being charged with witness Intimidation against her and being in prison, he is still contacting her to tell her not to testify.

Defendant has sent females he sees in the dispensary at the prison back to give his co-defendant messages that he loves her and not to testify, clearly an attempt to taint/prevent her testimony and continuing the intimidation.

30. The Commonwealth intends to introduce evidence of the fact that defendant possessed methamphetamine as outlined in paragraphs 10 & 12 above. This evidence will be used to establish that the defendant did not possess the methamphetamine in this case by accident or mistake and was not surprised, as he claimed on video to the police that there was methamphetamine in his car and that co-defendant Jenny Jones was a meth user.

31. Where the evidence is relevant, "the mere fact that testimony may be prejudicial will not prevent its introduction into evidence." Commonwealth v. Hall, 523 Pa. 75, 85, 565 A.2d 144, 149 (1989), quoted in Commonwealth v. Gelber, 406 Pa. Super. 382, 594 A.2d 672 (1991). The admissibility of such evidence, however, is within the sound discretion of the trial court whose decision will not be overturned absent a showing that the court abused its discretion. Commonwealth v. Claypool, 508 Pa. 198, 495 A.2d 176 (1985); Commonwealth v. Odum, 401 Pa. Super. 8, 584 A.2d 958 (1990).

32. Finally, the Commonwealth believes and, therefore, avers that the aforementioned evidence is essential to complete the story of the crime on trial by providing its immediate context of happenings near in time and place. Commonwealth v. Lark, supra. Without the above described evidence the Commonwealth will not be able to present a full context for the Defendant's actions and motivations for the jury's consideration.

WHEREFORE, the Commonwealth respectfully requests that the Court permit the introduction of the "Other Crimes, Wrongs, or Acts" and/or subsequent bad acts and/or res

gestae evidence as set forth above pursuant to Rule 404 of the Pennsylvania Rules of Evidence and existing case law on res gestae evidence.

Respectfully Submitted:

**DATE:** 10JAN2018**SUSPECT(S):** Martin W. JONES**SUBJECT:** Agency Assist / Cellphone Download

Bucks County Detective Joshua MALLERY requested that I obtain consent from Martin W. JONES for the download of his cellphone. JONES's cellphone was in the custody of the Lehigh County Drug Task Force as a result of his Title 35 arrest.

I met with JONES this morning and obtained written consent (for the cellphone download) and advised him that his phone will be available for pickup at USPD headquarters.

NOTE(S): JONES' cellphone did not have a "hold" on it. It had been at DTF headquarters as a result of his November 8, 2017 arrest. JONES had requested that his phone be returned and I obtained the phone from DTF evidence and was holding it until JONES's arrival. He has since expressed a desire to cooperate with authorities in furthering a narcotics investigation and I referred him to MALLERY. As a result, MALLERY requested that the cellphone be downloaded.

The cellphone was downloaded at the David M. Petzold Digital Forensics Laboratory of Lehigh County and was assigned case number CF-18-00006.

Detective F. Najera USPD #12 requested marked patrol Units stop a black Chrysler Coupe PA: JPH-6844, operated by wanted person Martin Jones. He was listed for a failure to appear violation in J-Net from District Court 31-3-03. Mr. Jones also was in the area of a known drug exchange block.

I Sgt. R. Miller stopped Jones after checking Penn Dot records while following the vehicle confirming as registered to the same. Upon contact, I requested Jones show his hands at the driver widow placing them out of the door. I handcuffed him from the vehicle for safety with exiting cuffing extraction. As I placed one cuff on him to his right hand, he reached to the front area of his body with the left hand not in my view now. I immediately corrected his action verbally and he put his hand back to cuff. However, he is seen trying to access his right shirt breast pocket in the car camera. Just after cuffing I checked him for weapons, I immediately saw a vinyl purse type bag hand size in his left front pocket containing glass pipes commonly used to smoke methamphetamine. I told him I saw the methamphetamine pipes. He said he found them and they are not his.

Detective Najera resumed the control of Jones and conducted a drug investigation. He ultimately was charged with drug paraphernalia and sent to Lehigh County Central Booking under the a no known current address drug charge / wanted person hit. His car was towed by Grant's Automotive for safety.

BUCKS COUNTY DETECTIVES

99-2018-0219FILE NUMBER**SUMMARY-Martin Jones cell phone**

On February 20, 2018 I received a copy of a phone extraction from Upper Saucon Detective, Frank Najera from a cell phone belonging to Martin Jones. I copied the extraction and placed it on file with this case file.

On this date, I located contacts for Jerry Geraldo-Gonzales (702-241-5529, 702-538-4569, 702-762-1907), "Glenny" (702-482-5798, 702-510-2955) and the name of Glenys Cabral Jimenez. Conversation appeared consistent with being the persons Jenny Jones advised Martin would deal with in Las Vegas. There was also an address provided to Jones, possibly to send money to of 856 Mantis Way #2 with 89110 zip code. I searched that address via mapping and did locate such address in Las Vegas area.

I also located an address in New York state; Mark Agosto, 91 County Rte 65, Apt 4, Hensonville, NY 12439 where it appears Jones had Vegas connects ship product to.

Also there was talk in the phone about sending money to Vegas with Western Union or Moneygram.

Also over the past week I received information requested from USPS Agent Cotelia Bond for PO Box 404 in Feasterville. It showed multiple packages received to that PO Box from Las Vegas in mid 2017 ranging from a half pound to 2 pounds. Bond advised that there is no longer postal video from those dates.

I provided Bond the names above so she could attempt to see if they were still actively sending packages anywhere.
